

Thank you for downloading our FREE printable for May 2007.

These are words that you simply print, cut apart (or tear them). You could use these for a number of projects, including, altered art, collages, decoupage, tag making and all sorts of other things.

Simply print the page with the "Words of Wisdom" and you're ready to go.

This file is copyrighted and may not be re-sold or included in a graphics bundle. You MAY share this one with your friends if you like. You may not claim this file as your own creation.

If you'd like to show us the projects you've made with our "Words of Wisdom", we'd love to see them. We'll be adding a gallery to our website and would love to show your stuff off.
